Bonnie Tetlock

I was brought up with dogs, first a Cocker Spaniel, a Lab, then a Miniature Poodle. My dad field trialed and hunted with the lab, and I remained curious as a child about competition with dogs. The first dog of my own choosing in 1981, was a very delightful pet quality Basset that I called Norman. He was a funny little boy with a fair number of resolvable health issues, and I learned much from that. But, more importantly, he introduced me to this wonderful breed. I did obedience with Normie, and I was bitten by the show and trial bug. I purchased my first show quality bitch, Torcroft Leanne, in 1985, from long time Canadian breeder and judge,

Lorna Rindal, who mentored me in the breed. I showed and trialed Leanne, and bred my first litter from Leanne and a beautiful Torcroft male in 1988 under the Bonorlea prefix, that is a combination the first 3 letters of my name, Normie's name and Leanne's name. Champions in both Canada and the USA followed, and each of the dogs I kept myself, and several that I placed with other people, received championships, and obedience, rally, and tracking titles. By 2009 I worked to qualify to judge the first half of the hound group, and by 2012, I earned the second half of the hound group. I was delighted to judge at the Basset Hound Club of America Nationals in October 2025.

I worked in health care for over 40 years, finishing my career in 2020 where I worked as Coordinator of Health Information Management at the British Columbia Cancer Agency in Surrey and Abbotsford BC. I taught health information management on a part time basis at Douglas College. Presently I am a member of the Basset Hound Club of America health committee.

I am most grateful for the friends I have, and most of these I met through the dog shows and trials over the last many years.

Jean Trembay

I started my own obsessive journey in dogs in 1976 at a local show when our family Dane won a massive 4 point win. I had worked all summer conditioning and grooming and I was hooked. It was 10 years later as a second generation dog breeder and fifth generation stock person that my journey started in Cavaliers the breed I am best know for. The Halfmoon prefix became permanent in 1994 and best in show winners bred and owned by us followed in the decades that follow in three colours as well as 91 champions in Canada and 18 AKC champions first with my late partner L.Garrett Lambert and now with my current partner Don aka The Tall one. Through a very limited breeding program we continue to work on that elusive best in show black and tan despite having won the AKC National with a veteran of that colour in 2022. I have also bred and owned champions in Great Danes, Havanese, Mini Long Hair Dachshunds and Smooth Fox Terriers. As a handler I handled to championships and beyond, dogs from 89 different breeds and from all 7 groups. I have lost of that count of champions after a flood destroyed boxes of results and records. I proudly trimmed, stripped, conditioned, scissored all my charges doing my best to present them as closely to what the standards required. Would I do it again ...absolutely. From starry eyed youngster, to breeder, to handler, to mentor, my journey continues as a judge with my hand still firmly involved in breeding on a smaller scale hope that my experience and the knowledge shared with me guides my eye and my hands in the ring. In addition to Canada I have judged in the USA, Australia and New Zealand NZ at both specialties and All breed shows.

Owner Handler Exhibitor Eligibility - Saturday

Unofficial/Exhibitor Eligibility

1. Exhibitors must declare their dog Owner Handled Competition eligible at the time of entry using the check box on the entry form (either paper or electronic). If the handler changes from the time of entry to exhibition, the exhibitor is responsible for advising the ring steward if the entrant is no longer eligible.
2. The handler must be an owner of record listed in the catalogue.
3. Professional handlers, household members and current assistants to professional handlers may not exhibit. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay or received payment for handling a dog.
4. Dogs must be handled by an owner-handler throughout the breed level competition for the regular show. This includes the class competition and subsequent competition in the breed ring. The same is true for all levels of group and show competition.
5. The Best OH in Breed will be selected from the eligible dogs that competed in the Best of Breed competition for the regular show.

Determining Best OH in Breed

The selection of the Best OH in Breed is held immediately following regular judging of that breed in the same ring. The ring steward will excuse all exhibitors not eligible. The judge will then award Best OH in Breed. Judging of the breed for the regular show may determine the dog that is awarded the Best OH in Breed.

Guidelines:

• If the Best of Breed winner of the regular show is eligible for Best OH in Breed it will also be
awarded Best OH in Breed. In this case the dog will be eligible to compete in group competition
for the regular show and group competition for Best OH in Group.

• If the regular show Best of Breed winner is not eligible for Best OH in Breed and the regular show Best of Opposite Sex is eligible, the regular show Best of Opposite Sex will compete against the
eligible exhibits of the other sex to determine Best OH in Breed.

• If neither the Best of Breed nor the Best of Opposite Sex from the regular show is eligible for the Best OH in Breed and both the Select Dog and Select Bitch are eligible, the judge is to choose Best
OH in Breed from the Selects and any eligible Winners Dog or Winners Bitch.

• If one of the Selects from the regular show is eligible for Best OH in Breed, excuse all eligible champions and then choose Best OH in Breed from the remaining eligible dogs of the opposite sex including the eligible Winners.

• If the regular show Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch as the Best OH in Breed. If no dog remaining in the ring is eligible for the Best OH in Breed competition, no award will be made and there will not be representation in group competition for the Best OH in Group and Best OH in Show Competition.

In the Group and Best in Show competition, the dog must be handled throughout the competition by an eligible owner.

• Judging for the Best OH in Show will follow after regular Best in Show judging.
