In Memory of Coral Sheila Denis  
October 14, 1936 – March 6<sup>th</sup>, 2018

Coral was born in London, England, of Canadian parents. She was evacuated during the war to live with an elderly aunt while her mother spent the war years in hospital with TB. In 1948 they moved back to Canada and settled in Ladysmith. Coral and I met in 1955 and married in 1959, at which time she started her work in the legal profession, eventually becoming a justice of the peace and becoming the first woman in BC to have her own court. Dogs also came into our lives shortly after marriage and in 1980, we were blessed with Buffy, our first Bernese. In the mid-seventies we bought a kiln and Coral started firing decals on almost anything, much of which was given as presents and prizes at dog shows. About this time knitting took hold and there always seemed to be wool and flashing needles in her hands. Coral liked to travel and we went to Britain many times to visit relatives and attend Crufts. We were in England this year to attend Crufts when she passed very suddenly.

## **PRESIDENT'S MESSAGE**

On behalf of the BMDCC Executive I want to welcome the exhibitors, spectators and volunteers to the 2018 BMDCC National Specialty.

Anyone that has been involved in organizing a Specialty understands the amount of time and energy that goes in to even the smallest aspect of the show. The amount of planning is tremendous and it requires a very dedicated core group of folks called the Specialty Committee. The 2018 Committee is no different than the committees that have gone before them and I want to extend my appreciation on behalf of the executive and the membership for their hard work making this show come to fruition.

Specialties offer the opportunity to watch beautiful teams compete in a variety of different events. It offers the opportunity to reacquaint with friends and make new friends. It is a busy time but I hope everyone will have the chance to stop and watch several of the events being offered.

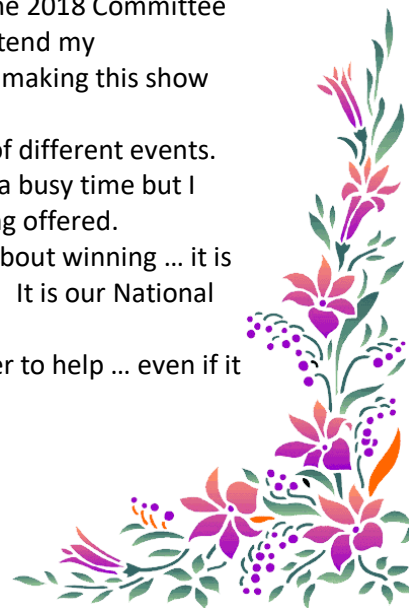

Encourage competitors and congratulate them on their successes. It is not just about winning ... it is about the opportunity to compete and be surrounded by other Bernese owners. It is our National Specialty. Enjoy.

PS: If you have a few spare moments track down a committee member and offer to help ... even if it is just to give them time to have a break and grab a coffee!

Wish I could be there with you all!

Your President,

Maureen Greaves

## **CONFORMATION JUDGE**

All Regular and Non-Regular Classes

**Michael Forte** 4 The Oaks Grove House, Milltown Road, Dublin 6 Dublin Ireland

Dogs have always been a part of Michael Forte's life. Growing up, his family had Cocker Spaniels, Rough Collies, and German Shepherds Dogs. Over the years, he has shown and bred Old English Sheepdogs, Tibetan Spaniels, Cavalier King Charles Spaniels and Bernese Mountain Dogs.

Thirty years ago, Michael introduced Bernese Mountain Dogs to Ireland, where he bred the first litters and titled the first champions in that country. In 1980, he started the Bernese Mountain Dog Club of Ireland; he is currently the BMDCI President.

Mr. Forte is qualified to judge all breeds up to and including the Best in Show level. As an FCI all breed judge, he has been invited to shows in many countries around the world, including European and World shows, and many International shows. He has also judged at all breed shows in Africa, America, Canada, and Asia.

**Welcome Message**  
**from the Specialty Show Chair**

On behalf of the show committee I would like to welcome all those who have come from far and near to celebrate the beautiful Bernese Mountain Dog. Whether you are an owner, exhibitor, spectator or volunteer our hope is that you enjoy the days ahead of watching these amazing dogs with their people.

It is at events like these where we get to see how versatile and amazing this breed really is. Whether strutting their stuff in the conformation ring, pulling a cart, showing their dedication in the obedience and rally ring, navigating an agility course, driving sheep or laying on your feet they truly are a breed that can do it all and have that charming smile on their face every step of the way. With a loyal, fun and loving breed comes dedicated, passionate owners and breeders that are committed to making sure this breed is well represented as spectacular working dogs and loving companions.

As with any event this has not come together without the help of a willing and enthusiastic group of people, each with different strengths and gifts. From the planning to the attention to details it is with much thanks to the 2018 committee for all their incredible time and commitment to make this all possible.

We hope that you will all take the time to catch up, create new friendships, learn something new from those that have been in the breed for years and help guide those that are new to the breed. Be cheerful and encouraging to all, enjoy this time being surrounded by so many wonderful dogs and their people that all have one big thing in common...love for the Bernese Mountain Dog.

## **Judges' Biographies**

### **Paul Bagnall – Edmonton, AB**

I've had the privilege of having Bernese Mountain Dogs as members of my family since 1987. I am currently President of the Edmonton Kennel Club, member of the Bernese Mountain Dog Club of Canada, Newfoundland Dog Club of Canada, and the Newfoundland Dog Fanciers of Alberta.

I have been involved in a number of aspects of draft from a builder of carts through draft test chair. It's a great experience meeting people who love their dogs and enjoy activities with them! I particularly enjoy the camaraderie between dog and handler and among the handlers and spectators.

Thanks for inviting me to judge.

## Phil Chagnon – Richmond, BC

I have had dogs in my life for as long as I can remember but I became actively involved in canine 'sports' during the 80's. During the 90's, three extraordinary Bernese Mountain Dogs introduced my wife Lea and I to draft, obedience, agility, herding and conformation competition. Bandit, Bella & Halo earned multiple draft titles both in Canada and the United States and instilled a love of draft and other dog sports that continues with each new canine addition to our household.

I am qualified to judge both CKC and BMDCA draft tests and have also judged Bouvier, Greater Swiss and Newfoundland breed events. Early on Lea and I co-wrote the 'Fun with Draft' training manual and over the years we have used it as a guideline for draft training seminars, advanced skill classes, practice matches and draft fun days. I have been actively involved with Draft Regulation revisions in Canada as a previous CKC Draft Representative and I have never shied away from giving opinions that might help improve the sport of draft.

I enjoy playing and working with my furry family (always careful not to over train!) and love to help people discover the amazing bond that is created through true 'team work'. The added benefit to training, competing, teaching and judging has been the amazing friendships we've found through the common bond of 'dog sport'. Currently Lea and I share our home (and the Pets First office!) with 12 ½ year old Dual Versatility girl Ripley and our 4 year old youngster Mac, as well as the spirit of our canine 'teachers' who have departed much too soon.

This year marks my twenty second year as a Draft Judge. I am as excited as if this was my first assignment and I'm looking forward to seeing the teams work and play together. Welcome to the draft ring – smile, enjoy and remember to breathe!!

## Wanda Tait – Summerland BC

Born into a family with a passion for working dogs, it is no surprise that Wanda's life has also been entwined with that of her dogs. Wanda and Eric began breeding Bernese Mountain Dogs in the mid-1980's under the kennel name "Oberland". The Tait's Berners would often pull their children on toboggans, sleighs and carts as well as regularly hike in the mountains with their packs.

With the persistent encouragement and mentorship by Tubby Miller, more formal draft work began to take shape. Wanda is thrilled to see the sport of drafting steadily grow in popularity and loves to see the cooperation and joy displayed by good working teams. She has been honoured to judge at multiple tests across the country and especially looks forward to seeing the teams at this year's BMDCC Specialty in her new "home province".

Good luck and have fun with your dogs!

## **The Draft Test**

The following text outlines all of the exercise requirements for the Canadian Draft tests (DD). You can follow along as you watch the dogs go through the exercises. It will help you understand what is happening in the ring and the purpose of each routine.

Purpose: To demonstrate a dog's usefulness as a draft animal, a reliable freighting companion and worker.

## **Draft Dog (DD) & Brace Draft Dog (BDD) Exercises**

### **Control Exercises**

**Purpose:** The control exercises demonstrate the dog's ability to be a safe and obedient companion and worker. Three exercises will be performed:

- Heel Off Lead
- One Minute Stand Stay
- Three Minute Group Down Stay

### **Carting Exercises**

**Purpose:** The Carting Exercise demonstrates the dog's usefulness as a draft animal in manoeuvring loads safely and quietly on a wheeled vehicle over a moderate distance and smooth terrain. Three exercises will be performed:

- Harness and Hitching
- Manoeuvres
- Figure 8
- Backup

### **Field Work Exercises**

**Purpose:** The Field Work Exercise demonstrates the dog's ability to pull a suitable freight load over a moderate distance in cooperation with his handler. Three exercises are used to demonstrate this ability:

- Hitching and Loading
- Hauling
- Unloading and Unhitching

## **Schedule of Events**

# **BMDCC European-style Sieger Show for Bernese Mountain Dogs**

Sunday, 23 September 2018

**Heritage Park**

Chilliwack, BC

**Judge:** Anne Summers

(Summers BMD, Oregon USA)

(This show is not an official CKC event)

**What is a Sieger Show?**

Showing a dog in a European-style Sieger show is a wonderful experience!!! Each dog enters the ring individually; it is evaluated and given a score based on how closely it measures up to the "ideal dog" as described in the breed standard. The dog receives a thorough hands on examination and is assessed in a relaxed and informal manner, standing naturally, and gaiting on a loose lead. The judge is a knowledgeable breeder of Bernese Mountain Dogs, who provides both a written and verbal evaluation of the dog based on several key points in the standard for the education of the owners and spectators.

Puppies are assessed first and each puppy receives a rating of Very Promising, Promising or Unacceptable. All of the Very Promising puppies then compete for the Most Promising Puppy award. The adult dogs then enter the ring. Each dog is given an overall rating that can range from Poor to Excellent. After all the dogs have been evaluated, only those dogs that were rated Excellent (there can be several from the same class!) are brought back into the ring together to vie for Best Male in Sieger, Best Female in Sieger and the ultimate - Best in Sieger Show (which is decided from the best male and best female).  
Best Veteran will be selected after Best in Sieger Show.

This show is a relaxed affair so sit back, learn, and enjoy the experience!!!

**EVERYONE WELCOME!!!**

## How the Classes are Divided in a Sieger Show

**Jugstenklasse** (youngest): for all dogs 6-15 months of age.

**Jugendklasse** (youth): for dogs 15-18 months of age.

**Offenklasse** (open): for dogs 18 months or older that do not have a Championship title.

**Siegerklasse** (specials): for dogs that have a recognized Championship (ie, CKC, AKC).

**Veteranklasse** (veterans): for any dog over 7 years of age.

All dogs receiving an excellent grading will be awarded a certificate.

Best in Sieger Show, Best Male and Best Female, Most Promising Puppy, and Best Veteran in Sieger Show will receive a prize and a rosette.

## CANADIAN KENNEL CLUB SCHEDULE OF CHAMPIONSHIP POINTS

SECTION 2. The schedule to be employed in the determination of the number of points to be allocated to a dog awarded WINNERS shall be as follows: (\*Includes the dog awarded Winners.)

Dogs Competing*	1	2	3 to 5	6 to 9	10 to 12	13 or more
Points Allocated*	0	1	2	3	4	5

To determine the number of championship points earned by a dog awarded Winners, total all the dogs in competition which the dog defeated, directly or indirectly, for the highest of the following official breed awards: Winners, Best of Winners, Best of Breed or Best of Opposite Sex and then consult the schedule set forth above. A dog that is disqualified, dismissed, excused or ordered from the ring by the judge shall not be included in the calculation for championship points. Further section 15.1.12 {C} has been added and states the dog must: "have earned at least one 2 point win either at the breed level or group level."

The system provides for additional points if a dog awarded winners also places in the Group as listed here under.

Breeds Competing:	PLACED FIRST	PLACED SECOND	PLACED THIRD	PLACED FOURTH
At Group Level				
13 or more Breeds	5	4	3	2
10 to 12 Breeds	4	3	2	1
6 to 9 Breeds	3	2	1	1
5 Breeds	2	1	1	1
4 Breeds	2	1	1	0
3 Breeds	2	1	0	0
2 Breeds	1	0	0	0
1 Breed	0	0	0	0

A class Dog awarded Best In Show at an all-breed championship show will be credited with five points inclusive of any points earned at the breed or group level. In no case may a dog earn more than five (5) points at a single show. To earn a Canadian Championship, a dog must earn at least ten championship points under at least three different judges; and be individually registered with the Canadian Kennel Club, or have a CKC Event Registration Number (ERN).
